

# MINIMA

# 3 Table

Front

## DESCRIPTION

A piece that plays on unexpected movements and elaborate finishes. 3Table is a hinged table with black metal legs consisting of an oval black back-painted glass top, a round and a square top made from lauro preto wood. Thanks to the invisible chains linking the surfaces, you can open and close this sculptural table to find the perfect conformation, and adapt it to the spatial and functional requirements of any setting. The oval and square surfaces can revolve around the round one, which remains in the centre like a planet surrounded by its satellites. All 3 tops can also turn on themselves, making it easier to serve tea or cocktails.

## FEATURES

- Black metal legs
- Black back-painted glass top
- lauro preto wood round and square top

## DIMENSIONS

(closed table); L42.24" H14.37" D35.43; (open table); L66.93 H14.37" D35.43"
