Archipenko Unit

Rodolfo Dordoni

DESCRIPTION

Archipenko is a collection of storage units that combines style and elegance, functionality and design. From the living room to bedrooms, Archipenko is at home in any setting, lending stylish personality, thanks to the black-nckel metal handles in the characteristic circular shape, a decorative element that plays down the rigorous proportions of Archipenko.

FEATURES

- Available in a wide range of finishes: glossy lacquer in a variety of colors
- matte lacquer in moka and sand
- glossy polyester finished ebony
- natural brushed oak
- open pore stained oak in grey and open pore lacquered oak in moka or black
- contains a series of elements that can be attached to each other using metal joints for configurations that are completed with a single top piece.

DIMENSIONS

- available in a wide range of sizes and configurations
