Array Opal

CTO Lighting

DESCRIPTION

This sculptural light is both modern and retro. Its distinctive form with multiple arms furnish a space with great style. The metalwork is brass, then bronzed and hand waxed which contrasts with the brass detailing. The moveable glass spheres give a wonderful diffuse glow and creates a beautiful soft glow at night.

FEATURES

- bronze base with satin brass details and opal glass shades
- bronze base with satin nickel details and black cotton shades with silver lining
- polished nickel base and dove grey silk shades with dark grey lining

DIMENSIONS

- 29"W x 24"D x 61"H
