Aston Armchair

Rodolfo Dordoni

DESCRIPTION

The source of inspiration for the Aston collections is the memory of the old-fashioned parlor or drawing room, reserved for receiving guests, where smaller-scale sofas and dainty armchairs were in fashion. Today, lifestyles have certainly changed but the taste for preserving tradition and for the measured elegance expressed by some furnishings from the past has come back into vogue.

FEATURES

- upholstery available in a range of fabrics and leathers
- legs in solid Ash, open pore Moka lacquer or open pore Tabacco stain
- sofa, daybed, poufs and chairs also available
