Bitta Collection

Rodolfo Dordoni

DESCRIPTION 22

Bitta is characterized by dense braiding that would still let the air through, reminiscent of the braiding of the ropes used to moor boats (hence the name Bitta, which means 'mooring' in Italian), which makes the pieces look lightweight but, at the same time, they look just like cosy nests in natural colours to sit back and relax in.

FEATURES

- standard rope colors in marengo, light grey, green, black and brown
- standard cushion colors in natte beige or natte sand laminate
- also available in a wide variety of custom colors and finishes
