Bresson

Rodolfo Dordoni

DESCRIPTION

The range of coffee tables, Bresson, is available in two versions, round and square; it means a major stylistic sign of this collection. Based on a combination of different materials, they look unique, while suiting the Williams consoles perfectly. The elegant curves of the laser-cut black-nickel finished frames match the base of the Williams sofa, thus resulting in aesthetically appealing combinations.

DIMENSIONS

(Round) D47.25", H14.75" (Square) D39.5" H14.75"
