Caulfield Outdoor

Rodolfo Dordoni

DESCRIPTION

The Caulfield coffee table is now available in an outdoor version with an innovative combination of materials.

The airy metal structure comes in a palette of eye-catching colors – Clay, Sunflower, Khaki Green and Rust. The metal structure is first sandblasted to remove any imperfections and then epoxy powder-coated to ensure optimal resistance to corrosion and weather. The top is in Pietra del Cardoso stone, with a brushed finish. The Caulfield “Outdoor” coffee tables come in three sizes.
