

MINIMA

Cortina Chair Outdoor

Gordon Guillaumier

DESCRIPTION

The Cortina has a wire mesh frame so lightweight it seems to defy gravity. The new outdoor version of the Cortina considerably expands its range of possibilities, both inside and outside the home.

FEATURES

- metal tube structure
- resilient polyurethane padding for part of the seat
- water proof fiber cover
- rain cover optional
- covers are removeable

DIMENSIONS

W 23 5/8" x D 23 5/8" x H 31 1/4"
