

minima

Cubovo

Bruno Munari

DESCRIPTION

Trolley with lacquered wood structure and glass plate. Its design, typical of the Sixties, makes it an icon, a must – have piece, able to last through transient fashions. It can be used as a trolley in the dining room, or in the bedroom as a capacious bed-side table, thanks to its compact form with 4 folding openings.

DIMENSIONS

W 20.5" x D 20.4" x H 23.6"

FEATURES

- available in all the matt colours of the sample collection.
