DD Table

Jaime Hayon

DESCRIPTION

These tables bring refinement to any furnishings with their playful use of precious materials and the subtle break in the lines. Two table tops, the bottom covered with leather, the top available in leather or marble, are connected with aluminum rods. They are offset, thereby generating a tension that is reminiscent of some of the designs of Josef Hoffmann. Lower shelf of leather in many different colors, upper table top marble in 4 colors.

FEATURES

- table top available in marmor frappuccino, marmor emperador dark, marmor nero, marmor oder, marmor carrara
- lower shelf available in Napa collection leathers
- dark grey, black grey, blue grey, or light grey powder coated bronze legs

DIMENSIONS

- 47.2"D x 13.8"H
35.4"D x 13.8"H
23.6"D x 15.7"H
11.8"D x 19.7"H
