Delaunay Quilt

Rodolfo Dordoni

DESCRIPTION

Over the years, the successful product designed by Rodolfo Dordoni in 1998 has succeeded in retaining the expressive power of its forms, characterised by a distinctive, sophisticated elegance.

It is proposed again with new colours and sartorial details. "Quilt" stitching has been added to the seat, while the saddle hide straps on the seat and back come in a range of original shades: Ash Grey, Dove Grey, Sage and Burgundy.

Delaunay Quilt, with its chrome finished frame and leather upholstery in colors that open new horizons, effortlessly blends in with the Seventies spirit that guides the 2019 Collection.
