

Dibbets Rainbow

Rodolfo Dordoni

DESCRIPTION

The creation of Dibbets Rainbow was inspired by the properties of Lyocell® – fibers with an amazing ability to reflect light and accept dye of any color.

The nuanced effect is achieved by mixing various colors: White, Ecru, Grey and Pewter for "Arctic" Dibbets Rainbow; Rust, Petroleum and Ecru for "Forest" Dibbets Rainbow; Ecru, Grey, Blue and Brown for "Boreal" Dibbets Rainbow.

FEATURES

- colors available: arctic (white, ecru, grey and pewter shading), forest (rust, petroleum and ecru shading), boreal (ecru, grey, blue and dark brown shading)
- made from 100% Lyocell® (a cellulose fibre), handcrafted according to the manual Tufting method
- also available in circular version

DIMENSIONS

small - L 9'8" x W 9'8", medium - L 9'8" x W 13'1", large
