Elements Scent Water Candle

Tom Dixon

DESCRIPTION

SCENT Water is a subtle combination of watermelon and amber musk results in a cool and sharp maritime freshness.

A celebration of the bare essentials, inspired from the medieval alchemist and eastern philosopher's quest to reduce all matter to four simple elements. Also available in large. Designed in London.

FEATURES

- mouth blown blue and white glass vessel with a decal logo
- natural soy and paraffin mix

DIMENSIONS

- small - diam. 3.14" x H 2.75" , medium - diam. 4.41" x H 6.22" , large - diam. 7.09" x H 10.43"
