Elton Armchair

Jan Kleihues

DESCRIPTION

The balanced proportions of Elton and the interaction of its volumes are reminiscent of the gracefulness of Art Deco. The sides tapering away towards the bottom are a true eye-catcher. The narrow base is made of wood. If required, the small and medium-sized armchair can also be equipped with concealed casters. For easy movement when sitting at a table, on its own or as a complement to a suite. The armchair is available in four different versions.
