Gentle

Front

DESCRIPTION

The chair Gentle interprets the archetype of the seat, making its shape more modern and purified. The project perfectly matches the eco-leather covered metal at the back leg level, continuing in the back arch, to the front light wood, becoming arms and a real support for the back. The softened back and the eco-leather upholstery of the seat make the chair far more comfortable.

FEATURES

- front legs and armrests in natural ash
- back legs and backrest in eco-leather coated metal
- upholstered eco-leather seat

DIMENSIONS

- W 22.4" x D 20.3" x H 33.9"
