

minima

Heracleum - The Big O

Bertjan Pot

DESCRIPTION

The Heracleum lamp by Bertjan Pot & Marcel Wanders is a force of nature! Just like the plant that inspired it, the lamp is expanding, transforming and growing new leaves to crown this exciting new design season.

FEATURES

- metal wire frame, poly carbonate lenses, ultra thin suspension wire
- available in nickel and copper
- leaves can be freely re-positioned

DIMENSIONS

diam. 82.6" x H13.8", cable 12" - 157"
