Front

## **DESCRIPTION**

The Swedish design trio Front has designed a lounge chair which combines comfort and design sophistication, resulting in an original renewal of the stylistic features of the brand. HIDEOUT has a square steam-bent solid beech structure and is enriched by a large and comfortable seat which is upholstered like the central part of the backrest. A wide embrace, ascending upwards with woven cane parts, defining the rounded profile of the armrests, which protrude over the seat. An enveloping and intimate space, recreated through the unique elegance of HIDEOUT.
