Joco Stone

EOOS

DESCRIPTION

The pure aura of the material, Joco Stone conveys ostensibly paradoxical impressions. The marble table top seems to float elegantly in space. The fine lines of the delicate framework and the premium quality of the natural material merge. Precious and fine – the natural stone demonstrates modern grandeur. Joco Stone comes in two sizes, in marble or in onyx. Perfect companions for the personal lifestyle.

FEATURES

- Natural stone: - Nero Marquina, Noir Saint Laurent, Once Champagne
- The table surface is irregular and has a porous structure - veins, pores and inclusions are natural features
- Fitted with synthetic glides.

DIMENSIONS

- small: diam. 37.8" x H10.8" large: diam. 45.7" x H13.2"
