

# MINIMA

# Lucid

## CTO

### DESCRIPTION

Designed by Michael Verheyden, the Lucid collection was inspired by Parisien Brasseries and snowdomes. Both functional and sculptural the light celebrates premium materials, honed alabaster, satin brass together with silvered brass finishes using oxidized silvered brass. CTO worked with a small silversmith to experiment with new finishes and discovered a textured finish using brass, silver and oxidized silver.

### FEATURES

- available in honed alabaster with oxidized silver brass base
- black braided flex cord with in-line switch

### DIMENSIONS
