Mesh Bench

Patricia Urquiola

DESCRIPTION

Kettal Mesh collection recalls architectural facades, which filter the surrounding environment without stopping the light and air flow. Industrial and natural materials, hard and soft surfaces, transparent and solid volumes are put face to face in order to create this family of outdoor furniture based in contrasts.

FEATURES

- teak base
- backrest in aluminum
- upholstered in massdyed acrylic fabric
- standard cushion color in 289FOG laminant
- other color options available

DIMENSIONS

- W 62.9" x D 33.5" x H 9.4"
