

MINIMA

Modern Wall System

Piero Lissoni

DESCRIPTION

Modern arises from a pure geometric shape: the square. And from a simple idea: its movement in the space. A module repeating itself to generate objects different in materials, colors and functional purposes. Various objects – containers, tops, shelves – which proportions and formal consistency are harmonious with. An open collection of elements arises, combined and flexible, invented to draw spaces through sharp and elegant signs, shaped by rigorous lines, careful quality and refined design. A system allowing the greatest freedom to create the perfect combination of elements. A presence appropriate for every habitat.
