# Oki Occasional Table

Eoos

## **DESCRIPTION**

Oki is an exceptional implementation of the basic tenets of minimalist design that highlights lightness, balance and geometry. The delicate wire framework carries the tabletop. For elegant splendor, the surface is made of copper and bronze: These servers are easy to place beside the sofa – for a cup of tea or a glass of good wine. A new version with a round top extends the range giving a whole new meaning to squaring the circle.

## **FEATURES**

- Top: - powder-coated matt black  
- powder-coated matt bronze  
- copper-colored paint  
- brass-plated
- Base:
