Oota

EOOS

DESCRIPTION

The Oota Table wants to be seen. A very special companion, as splendid and elegant as a jewel. The delicate trellis work supports the round glass top that subtly and atmospherically reflects the light. The Oota Table is perfect as a coffee table, but also as an occasional table. Available in four different sizes with a black-coated or stainless steel polished framework.

FEATURES

- Glass: black-hued or brown-hued
- Steel: powder-coated black gloss , powder-coated bronze matt, or polished stainless steel
