Plane

Massimo Mariani

DESCRIPTION

Plane is a sculptural piece that carries than mind to the expressive side of geometry, the delicate balance between solids and spaces.

FEATURES

- The lower glass panel has three through holes to house two pins to insert a slab of solid walnut or white Carrara marble
- Both version are finished with a slip proof transparent matt varnish on the upper surface
- Stainless steel AISI 304 feet fixed to the glass panel through a UV-cured adhesive, paired with black plastic tips

DIMENSIONS

- L47.72" W47.72" D9.84"
