Plum tongs

Tom Dixon

DESCRIPTION

A pair of futuristic copper-plated cocktail tongs. Designed in London.

Plum is a series of barware that brings cocktail culture and drinks traditions into a contemporary universe.

Formed from glass and copper, each piece offers an attractive functionality to the restaurant, bar and home. Designed in London.

FEATURES

- copper plated stainless steel tongs that are pressed and welded to form the ergonomic hand grips
- suitable for use with food
- not dish-washer safe

DIMENSIONS

- L 9.4" x W 2.5"
