

MINIMA

Prop Light Wall

Bertjan Pot

DESCRIPTION

We have round lights, we have straight lights. We have them with light on the side, we have them with lights on two sides. You can hang them high, low, horizontally, vertically, or even hang in an angle. Put them on the floor, hang them on your wall or down from the ceiling. We find it very hard to imagine an interior where this prop is not in place.

DIMENSIONS

D 28.7"
