131 & 118-120 N 3rd Street

Philadelphia, PA 19106

Random Box

Neuland Industriedesign

DESCRIPTION

A bookcase with compartments in standard size, open or closed by doors, and with one drawer compartment. By flanking more units, also with Random Cabinet or Random, large-sized configurations of strong impact can be created.

FEATURES

- made of medium-density wood fiberboards with matt lacquer white
- back is made from white melamine coated board
- shelves are fit into the backs through concealed dovetail slots
- for safety reasons, the unit must be fixed to the wall

DIMENSIONS

- 85"H x 14"W x 13.7"D
