

MINIMA

Ring

CTO

DESCRIPTION

Chiaroscuro, inspired by strong light and shadows. The concept was to create this effect, within one light fitting. The light from within highlights the differential between the ring sizes and adds a dramatic sculptural effect to the light. It is equally beautiful both on and off.

DIMENSIONS

12"Ø x 25"H with 10"H shade

FEATURES

- available in either bronze or satin brass with dove grey silk shade
- black flex cord with in-line switch
