

MINIMA

Spindle

Piero Lissoni

DESCRIPTION

Extremely resistant, stackable, equally suitable for workplaces, homes and communities, Spindle is made of extra small section chromium-plated wire. The great lightness of the design and of the material is enhanced by the surfaces of the seat and of the back.

FEATURES

- steel frame
- back and seat in curved plywood
- available in glossy lacquered colors, leather, or eco-leather finishings

DIMENSIONS

W 22" x D 21.3" x H 29"
