Table B

Konstantin Grcic

DESCRIPTION

Baptized as Table B, its name is as simple and technical as the design itself. Inspired by classic BD pieces, such as the Hypóstila shelf unit, it is suitable for indoor and outdoor areas. With a tabletop of extruded aluminium and a minimal profile, it is offered in various finishes and with three models of legs.

FEATURES

- available in three types of leg designs, grey architectural concrete, stainless steel rod and or natural oak coated in transparent water-based varnish
- the surface can be laminated in a natural oak effect with a varnished finish
- concrete base is suitable for outdoors use
