

MINIMA

Tense Table Intarsia

Piergiorgio Cazzaniga & Michele Cazzaniga

DESCRIPTION

"A smart beauty, resulting from a thought and a know-how capable of transmitting a deep emotion through a wise accentuation of the peculiarities of the materials used". Piergiorgio Cazzaniga"

This particular finish is made starting with marble dust that has been mixed with a filler and is then spread manually over the entire surface of the table.

Top, edges and legs are covered with a sheet of material in a thickness of about 3 mm.

After being carefully sanded, an intarsia inlay is fashioned according to the roles of the famous "point line plane" theory elaborated by Kandinsky, and finished with a particular treatment of painting and natural wax.
