White Sofa

Rodolfo Dordoni

DESCRIPTION

Structure and proportions usher in a new architecture of the sofa. White seems to be a composite of perfectly balanced shapes and sizes, the repetitive overlapping of horizontal lines forming a highly distinctive aesthetic pattern that is further emphasized by the use of several different materials.

FEATURES

- upholstery available in a range of fabrics, leathers and saddle hides
- very slender feet in pewter color (an exclusive design by Minotti Studio) set at 45° angle to the sofa corners, lending added flair
- option of adding tray tops in place of the armrest or along the back

DIMENSIONS

- available in a wide range of dimensions and configurations, including custom sizes and configurations to suit the requirements of any space
