Minotti Studio Design

## DESCRIPTION

With an original round, square or rectangular shape, Wisp is a shaggy carpet that pays tribute to the Seventies with its pop inspiration and texture.

Its vaguely unkempt look adds a touch of softness to the furniture elements of the 2018 collection with which it dialogues, suggesting a feeling of intimacy to the room.

It is available in six monochrome versions: Chalk, Titanium Melange, Cord Mélange, Smoke, Iron and Petrol.
