

MINIMA

Yang Pouf

Rodolfo Dordoni

DESCRIPTION

A young, dynamic seating system where geometric lines form an original mix of soft volumes in an unconventional rhythm of full and empty spaces. The streamlined aesthetic style juxtaposes with the wide freedom of seating arrangements, which makes for very original design ideas. The Yan seating system is intended for young public and can be used to create soft, cozy domestic islands where you can spend your leisure time indulging in your favorite pastimes of enjoying all-out relaxation.
