# Aladino

## DESCRIPTION

Touch of enchantment and magical charm expresses itself through sophisticated details. The soft, light lines of this design are reminiscent of a magic carpet. The edging – whose seam allowance is available in a customized, dual-colored finish – creates a sinuous wave all around the bed. As desired, the bed base and headboard can be padded and upholstered in fabric or leather.

## FEATURES

- The bed base and headboard can be padded and upholstered in fabric or leather
