DESCRIPTION

A versatile bed is available in many versions. Individual tastes used to customize the various elements, steal the show here. The frame consists of simple, clean-cut lines and is available in wood, matt or gloss lacquered or with a textured finish. There are two options for the base: a classic version with feet or a version with a storage compartment consisting of inwardly-slanting volumes that enhance practicality and give the bed light and airy appeal. The headboard can be upholstered in fabric or leather.

FEATURES

- The frame is available in wood, matt or gloss lacquered or with a textured finish
- Two options for the base: a classic version with feet or a version with a storage compartment
- The headboard can be upholstered in fabric or leather
