Alfi Chair

Jasper Morrison

DESCRIPTION

Emeco and Morrison together, designed and engineered The Alfi Collection with the conviction that what you don't see is as important as what you do see. Alfi reflects Emeco and Morrison's common appreciation for the invisible qualities behind simplicity. Made of reclaimed and responsibly selected materials, engineered for comfort and strength, and designed to be humble and timeless, Alfi embodies these hidden values.

The seat is made from 100% reclaimed materials – polypropylene mixed with wood fiber. The wood particles create a speckled texture that gives the surface a warmer, more natural touch. Lighter colors show the contrast of wood fibers more.

FEATURES

- seat in reclaimed polypropylene mixed with wood fiber in 6 color: white, sand, red, green, dark gray, dark brown
- legs in ash wood, dark ash wood, recycled aluminum, or black powder-coated aluminum
- soft cover available for seats in a wide range of fabrics
- also available as 3-seat benches, bar or counter stools
