Arch Coffee Table

Front

DESCRIPTION

Three inclined support points, made of steam bent beech, give movement and lightness to a coffee table that can be flexibly used in the various living areas. The top is available in a wood or a glass version, both surrounded by a steam bent beech edge. It expresses the company's production, with a significant touch of modern taste.

FEATURES

- bent beech-wood frame
- available with a beech plywood or "stopsol" glass tabletop
