Beso Chair - Quick Ship

DESCRIPTION

We particularly like the juxtaposition between powerful and simplistic in the Beso design, so it works with most decors. In terms of shape and construction, the Beso by designer Khodi Feiz allows for long comfortable dinners with friends and family or brainstorm sessions, without the need to take a break or stretch your legs.

The lead time for this product is 8-10 weeks. Please contact us at sales@minima.us for full upholstery options.
