

# MINIMA

# Bitta Deckchair/Stool

Rodolfo Dordoni

## DESCRIPTION

Bitta is characterised by a combination of aluminium frames and seats of braided polyester reminiscent of the braiding of the ropes used to moor boats (hence the name Bitta, which means 'mooring' in Italian), which makes the pieces look lightweight but, at the same time, cosy enough to relax on.

## FEATURES

- aluminum frame accented with braided rope
- standard finishes in texture manganese frame, brown rope and natte beige laminate cushions
- also available in a wide variety of custom colors and finishes

## DIMENSIONS
