Boxes

Piero Lissoni

DESCRIPTION

Boxes is a family of containers with drawers. The linearity of the design is linked to the lacquered, the colors glass and the complete Collection of Porro wood versions; that take on a lively connotation of a playful object, thanks to the bright, new colors and to the warm shades of the essences. To the existing finishes are added the mirrored 6 drawer cabinet.

FEATURES

- Finishing: glass colors, matt lacquer colors, BASE, EXTRA and TOP wood, mirror
