# Brew Stove Top Coffee Maker

Tom Dixon

## DESCRIPTION

A steel-bodied stovetop espresso-maker with a copper finish, bringing a touch of art deco refinement to the coffee ritual. Given balance and elegance by a solid base and a heat-resistant, easy-pour handle, it's ideal for everyday baristas, Sunday-morning connoisseurs and after-dinner espresso aficionados alike.

The coffee maker makes four 50ml cups of espresso.

## DIMENSIONS

3.7"Ø x 7.6"H

200 ml
