Bundle Sofa

EOOS

DESCRIPTION

“Buuuuuun-dle!” The game, popular not only with children in Great Britain, becomes pure bliss. Pile up clothes and blankets, shout “buuuuuun-dle” and dive right into the soft make-shift cushions. This promise of happiness is inherent in the new sofa designed by EOOS. The soft upholstery looks like a large folded blanket, a design idea supposedly as simple as it is ingenious. The end result is a sofa which unites all the sensorial qualities of a well-designed piece of upholstered furniture. Softer, gentler, homelier. A pure bundle of joy.

FEATURES

- Back: ticking sewn into chambers with down fill and cold foam core(ticking chambers may be visible and are a sign of the product's high quality)
- Seat cushions: cold foam sandwich frame with polyester fiber wrap
- Frame: die-cast aluminum
- Also available as a sectional or récamière
