Cesar Outdoor

Rodolfo Dordoni

DESCRIPTION

An object sculpture, born in 2013 as a natural evolution of the original proposal for indoor designed in 2004, which can act as a coffee table, decorative element or pouf, depending on how and where it is positioned, whose eclectic and multifunctional personality it has evolved over time to become an authentic icon of the Minotti style.

It's made of Baydur® 60 structural polyurethane, and, in the outdoor version is available in lacquered White, Celadon, Granito and Sand finish. These colors have been subjected to specific tests to ensure they are colorfast when exposed to sunlight (UV stable).

FEATURES

- Finishes:
 - Glossy Lacquer colors: White, Sand, Celadon and Granite
 - Covered with stone powder for a Basaltina effect
 - Covered with Terracotta powder
 - Black ribbed rubber protective glide.

DIMENSIONS

- Ø 14 1/8" x 17 3/4" H
