# Cloudesley

CTO Lighting

## **DESCRIPTION**

Reflecting an era of grandiosity, and inspired by the home of CTO Lighting – “Cloudesley”, the street name where it resides in Georgian opulence. The repetitive oval forms of the glass when illuminated bring about a heavenly effect. Each oval opal glass shade is arranged with an almost poetic rhythm. It is a signature CTO statement chandelier. Cloudesley revisits classical lines and brings them to the modern and sophisticated interiors of today effortlessly.
