Clyfford Coffee

Rodolfo Dordoni

DESCRIPTION

The Clyfford collection is defined by simple contemporary design. The coffee table is available with tops that are round or square with round corners.

FEATURES

- The table frame is made from laser-cut, drawn metal and finished in a semi gloss pewter-color
- Table top glass is chamfered and smoked, 10 mm thick and tempered
- The large square coffee table is available with a wood top. The wood is made of MDF, 25 mm thick, with shaped edges and finished in open-pore coffee brown lacquered oak or glossy lacquered in one of the following colors: mud, granite, pewter and petroleum
