# Collector

GAMFRATESI

## **DESCRIPTION**

Purity and modernity, functionality and vintage taste also live together perfectly in the Collector desk, balancing between high tech instances and modern art collection, industrial and interior design. Its precise construction rotates around the essential open structure, a metal bridge onto which various elements are mechanically hooked: drawers, containers, interior panels, a worksurface, all offered in a refined apple tree finish.

## **FEATURES**

- Metal structure in lead effect varnished finish on which are grafted a top and some drawers in apple tree essence finish

## **DIMENSIONS**

- 60"L x 23.6"D x 29"H
