Conch

DECOMA DESIGN

DESCRIPTION

Porro presents a “cockpit” armchair, designed by Decoma Design, with removable fabric, leather or eco-leather body and available on a chromed metal rotating base or on a fixed structure in chromed, white or black metal. From the dining room to the office, Conch is characterized by its pleasant oval form, the softness of its covers and its design with an elegant central groove.

FEATURES

- Fixed structure: Chromed, white or black metal
- Rotating structure: Chromed metal
- Seat: Removable fabric, leather or eco-leather

DIMENSIONS

- 23.6"W x 20"D x 29.5"H
