Cortina Armchair Outdoor

Gordon Guillaumier

DESCRIPTION

The Cortina Armchair has a wire mesh frame so lightweight it seems to defy gravity. The new outdoor version of the Cortina Armchair considerably expands its range of possibilities, both inside and outside the home.

FEATURES

- metal tube structure
- resilient polyurethane padding for part of the seat
- water proof fiber cover
- rain cover optional
- covers are removeable

DIMENSIONS

W 28 3/4" x D 38 1/8" x H 38 1/8"
