# Creso

Lella & Massimo Vignelli

## **DESCRIPTION**

A singular form with a monolith's silhouette, the Creso experiments with a sole pedestal of support to transform a table into the kind of vigorous geometry that defined the eye of Lella and Massimo Vignelli.

Returned to a more faithful rendering of Vignelli's ideas, the new Creso explores a use of materials that underlines the potency of the design, with its round top and pillar base crafted formidably in travertine, or topped by glass and marble, braced by a base with various metallic finishes.

## **FEATURES**

- The surfaces are available in the following finishes:
  - Transparent glass
- - Matt white arabesque marble, black Marquinia, red Levanto, Green Alpi marbles
- - Matt Travertine, (max Ø160cm), stone with a natural polished finish. The Travertine top is only paired with the base in the same finish.

## **DIMENSIONS**

- Ø51" x 15.7"(base) x 28.3"H  
Ø63 x 15.7"(base) x 28.3"H
